Please consider the following suggestion for a restriction requirement. Pursuant to 37 C.F.R. § 1.142(c), this Suggested Restriction Requirement is submitted before a first Office action on the merits, before an Office action that contains a requirement to comply with the requirement of unity of invention under PCT Rule 13, and before a requirement for restriction under 35 U.S.C. 121 in the application.

Suggested Restriction Requirement

Applicant suggests that the claims can be restricted into the following Groups:

Group I (Claims 1-26 and 30-37) directed toward user registration in a network wherein a verification rating for registration includes a threshold that varies based on whether the user is a corporation or an individual.

Group II (Claims 38-57) directed toward user registration in a network wherein a verification rating for registration is accessible by a different user that is registered.

Group III (Claims 58-74) directed toward user registration in a network wherein a verification rating for registration includes a threshold is proportionate to at least one of a
